

Freedom of Information Request: Our Reference CTMUHB_334_23

You asked:

Under the Freedom of Information Act it would be appreciated if you were able to provide the number of stroke patients admitted to Prince Charles Hospital in the three weeks prior to the 22nd March 2022 and the three weeks after the 22nd March 2022.

Our response:

Please see provided below the number of patients admitted to the 'Stoke Ward' (ward 12 at Prince Charles Hospital) during the time period requested.

Please note – the patients may not necessarily have been diagnosed with a stroke.

Time period	Number of patients admitted
Admitted 01.03.23 - 21.03.23	31
Admitted 22.03.23 - 11.04.23	39
