

## **Freedom of Information Request: Our Reference CTMUHB\_564\_23**

### **You asked:**

I am requesting this information on behalf of Joel James MS. Under the Freedom of Information, Joel would like to know in the last five years, out of all advertised job positions where Welsh is an essential criterion, how many successful applicants have been from either Black ethnic or ethnic minority backgrounds?

### **Our response:**

Unfortunately, our recruitment system does not hold the information for the last five years. However, we can confirm that since December 2021 to current date there have been no appointments of either Black ethnic or ethnic minority backgrounds to job positions where Welsh has been an essential criterion.
