

## Freedom of Information Request: Our Reference CTMUHB\_75\_23

Clarification requested - provided on 27/02/2023

1. *When you request all providers, does this include all arrangement with other bodies including NHS bodies, or would this be non-NHS providers?*

*Ideally we'd like NHS bodies only*

2. *Could you please provide clarity on what the 0-19 service is, please?*

*In some areas school nursing and health visiting are commissioned as a combined 0-19 service. If this is not the case in your area please disregard this service.*

3. *There will also be partnership arrangements for services like Flying Start health visiting. Would these need to also be included?*

*No thank you*
