

Freedom of Information Request: Our Reference CTMUHB_79_23

You asked:

You said that your Health Board is planning to replace your Critical Care system. Do you have new systems already procured or are you going out on Tender? If so, could we please have the new system details and a Go live date for the system?

Our response:

There has been a National procurement of a Critical Care System - [Welsh Intensive Care Information System \(WICIS\)](#) and currently Cwm Taf Morgannwg (CTM) are working with the National team on the system set up and design. There is no definite go live date as yet but CTM are second in the deployment list.

If further information is required, please contact [Digital Health and Care Wales](#) who are managing this on an all Wales bases, directly.
