

Freedom of Information Request: Our Reference CTMUHB_85_23

You asked:

Please answer the following questions:

- 1. Are you currently, or have you ever, taken part in a pilot study of the Oxevision system?**

We have not taken part in a pilot study of the Oxevision system, either currently or in the past.

- 2. Are you currently, or have you ever, made use of the Oxevision system or any other visual monitoring system.**

We have not made use of the Oxevision system or any other visual monitoring system currently or in the past.

- 3. Do you carry out any visual monitoring, recording or surveillance whilst patients are situated in their bedrooms?**

We do not carry out any visual monitoring, recording or surveillance whilst a patient is situated in their bedroom.

- 4. How many patients have been monitored using the Oxevision system? Please provide a month by month breakdown of this data, up to the current month beginning 1st February 2023.**

Not applicable.

Please provide the following information by electronic copy:

- 1. A copy of any information given to patients about the pilot study using the Oxevision system and any other visual monitoring system.**
- 2. A copy of patient consent forms for patients participating in Oxevision system pilot study.**
- 3. Do you obtain consent by any other means apart from consent form? Please provide documentation.**
- 4. Please provide a copy of any policies that you have relating to the Oxevision or other visual surveillance systems of patients.**

Not applicable.
