

Freedom of Information Request: Our Reference CTMUHB_279_23

You asked:

I would like to formally make a request, under the Freedom of Information Act 2000, for information on the number of patients currently waiting for treatment with an NHS dentist from the date of this enquiry (6 July) within your health board.

I would like to also request the information be broken down by adult and child patients.

Our response:

Unfortunately, we do not log dates of birth when placing patients on the list so we are unable provide a breakdown of adults/children. However, we can share that we have 11,900 patients currently on the waiting list.
