You asked:

Under the Freedom of Information Act, I would like to request the following information:

1. How much in total was spent for the 75th birthday celebrations?
2. What is the breakdown of these costs?
3. How much do you estimate was spent across all NHS bodies and trusts for the 75th birthday celebrations under your jurisdiction?

Our response:

Finance are not aware of any costs being incurred in relation to the 75th birthday celebrations. No costs have been highlighted by Directorates or picked up as part of the reporting process.
