You asked:

I am submitting this request under the Freedom of Information Act 2000.

- How many patients are admitted to Cwm Taf Morgannwg health board from private hospitals for aftercare?
- Please provide figures for the year 2023 and 2022 and from which private hospital they arrive.

Our response:

We can confirm that the Health Board does hold this information. However, to release the specific information in the way that you have requested would mean disclosure of low numbers.

Where numbers are low we have considered that there is the potential for the individuals to be identified from the information provided, when considered with other information that may also be in the public domain.

In our view disclosure of these low figures would breach the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This exemption is absolute and therefore there is no requirement to apply the public interest test.

However, in order to fulfil our obligation under Section 16 of the Act to provide advice and assistance, we can confirm the following:

For the period 01/01/22 – 30/06/23, 6 patients were transferred to the Health Board from a non-NHS run hospital.
