

Freedom of Information Request: Our Reference CTMUHB_107_23

You asked:

I am conducting a survey and reaching out to all hospitals in the UK, writing to request information under the Freedom of Information Act regarding your hospital's post processing software for CMR. Specifically, I would like to request information on the cost, expiry, type and quantity of licenses your hospital has purchased.

I understand that as a public authority, you are required by law to provide this information under the Freedom of Information Act and thank you in advance for helping with this. Could you please provide this information in an electronic format, replying to this email address?

Please can you provide the following information:

1) The date of expiry for the licenses purchased.

No expiry.

2) The number of licenses your hospital has purchased.

Two.

3) The cost of licenses purchased (individually and in total including any ongoing support costs).

Not costed individually – included in overall cost of system

4) The name of the post processing software that you use for CMR (e.g Circle CVI, Siemens Healthineers, etc).

Syngo MR Cardio engine, Syngo MR Cardiac perfusion

5) The make and model of the MR scanner(s) used by your hospital.

Siemens Aera / Sola
