

## **Freedom of Information Request: Our Reference CTMUHB\_224\_23**

### **You asked:**

- 1. I am requesting the annual external software and consultancy costs of the board's Patient Level Information and Costing System.**

We are currently running a tender exercise for the new contract, and would be unable to give out any information that potentially give a tendering supplier any additional information to what has already been supplied within the tender documentation or that is already available within the public domain. We can therefore confirm that the total value of the current contract is £561,364.00.

- 2. I am also requesting the name of the supplier of the software and consultancy services.**

The current supplier is Logex Healthcare Analytics (Assista Ltd).
