

Freedom of Information Request: Our Reference CTMUHB_522_23

You asked:

Using the Freedom of Information Act 2000, I am writing to request the total number of patients who have waited 24-hours or more in the Cwm Taf Morgannwg Emergency Departments for each month since January 2011 to the present day.

I am requesting that the data be split by site. And under each site it should include a column without the application of breach exemptions / clinical exceptions (so the raw figure before breach exemptions were applied) and a column with the application of breach exemptions (so the figure provided to Stats Wales).

Our response:

Please see information provided in the table below, noting the following:

- The Princess of Wales (POW) Hospital only joined Cwm Taf Morgannwg on 01/04/2019. Therefore, there is no data supplied for POW prior to March 2019. Any information requests (prior to April 1 2019) relating to the previous Abertawe Bro Morgannwg University Health Board area would need to be redirected to FOIA.Requests@wales.nhs.uk.
- We do not hold any data for any sites prior to Aug 2011.
- We do not hold any data for Prince Charles Hospital prior to 01/04/2012.
- Please note that if this data is going to be compared with the published data, it may not always match the published data. The validation process is complex and labour intensive; it is not always complete when the monthly data is submitted. However, the department will continue to complete the validation process resulting in differences between the published and internal figures.
- All data is sent to [Digital Health and Care Wales](#) (formerly NWIS) on a monthly basis, where they apply their own rules and publish the data.

	A&E waits – 24 hours or more
