

Freedom of Information Request: Our Reference CTMUHB_523_23

You asked:

Could you please advise whether you currently use any remote temperature or humidity monitoring solutions at any of your mortuaries

If yes please advise:

Who the current supplier is

When the current expires

How much are you currently paying per annum

Our response:

Yes, we currently use the LoRa wireless temperature monitoring system in the Cwm Taf Morgannwg Mortuaries. This monitors temperature only. We have no systems for monitoring humidity.

- Current supplier is – WhiteHorse Scientific
- Expires – March 2024
- Currently paying per annum – Approx. £20K
