

Freedom of Information Request: Our Reference CTMUHB_436_23

You asked:

I wish to make a request under the freedom of information act please.
The request is, are you able to provide electronic audit trails for the following systems in the health board. E.g. To know who has accessed your medical records and what was viewed etc.

The systems are
WCCIS
CYPrIS
CCH2000.

The period of which I'm interested in is from June 2020 until present day.

Our response:

The Health Board is able to investigate access to electronic medical records, however some of the systems you have listed may be owned by the Local Authority.

As you may be aware, personal data is exempt from the Freedom of Information Act, so we are unable to disclose information to you under this legislation. You are however, able to make a subject access request under Data Protection legislation where the information governance team will be able to assist you, if required.
