

Freedom of Information Request: Our Reference CTMUHB_466_23

You asked:

Please could you answer the following questions:

1. Did Cwm Taf Morgannwg, formerly North Glamorgan and Pontypridd & Rhondda NHS Trusts, receive financial donations or incentives from pharmaceutical companies for using Factor VIII and Factor IX blood products between the period 1975 and 1992? These pharmaceutical companies would have included, but not limited to, Armour, Alpha, Bayer, Cutter, Speywood, Baxter, Travenol.

1a. Please provide a detailed breakdown of the donation by the name of the pharmaceutical company, the pharmaceutical product, the total amount donated, conditions of the donation, and the date of the donation.

1b. Please provide any relevant correspondence between the Health Authority and the pharmaceutical companies if available.

Our response:

We came confirm that the Health Board does not hold this information for the period between 1975 and 1992.
