Freedom of Information Request: Our Reference CTMUHB_189_24

You asked:

Under the Freedom of Information Act, I would like to request the following information:

For both questions I would like the figures for each year, not one figure covering all three years.

- Please provide the total number of patients treated with a non-British national code (i.e not White British, Asian British or Black British etc.) for the last three financial years, or the last years for which you have statistics. Please also provide the total number of patients treated.**

We only hold the information split as per below:

	EHIC	Ineligible	Eligible
21/22	**	5	317
22/23	7	9	120
23/24	**	14	316

Where the figures are less than 5, this has been denoted by **. The exact figures have been withheld due to the low numbers involved.

Where numbers are low we have considered that there is the potential for the individuals to be identified from the information provided, when considered with other information that may also be in the public domain. Also, responses under the Freedom of Information Act are made available to the public at large. The data is classed as personal data as defined under the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This exemption is absolute and therefore there is no requirement to apply the public interest test.

- What is the total amount in charges you have issued for treatment given to non-UK nationals for the last three financial years, or the last three years for which you have statistics.**

Total invoices raised for overseas patients:

21/22	£23,442.44
22/23	£154,204.10
23/24	£315,095.62

3. What is the amount that you have successfully recovered over the same time period?

Total paid over same period:

21/22	£4,689.48
22/23	£76,398.53
23/24	£6,679.58
