Thank you for your request for information received on the 19 April 2024, regarding Bed Occupancy Data. Please find the response from Cwm Taf Morgannwg University Health Board (Established 2019) set out below:

You asked:

Using the Freedom of Information Act 2000, I am writing to request the number of average daily available and occupied general and acute beds by month in your health board from January 2023 up to and including December 2023.

Could the data only be for acute hospitals (please remove any other hospitals from the data) and, if possible, could the data be split by hospital?

Our response:

Please see information that we hold provided in the table below. Noting: Bed availability and occupancy data for Princess of Wales Hospital is held by Swansea Bay University Health Board and they can be contacted at the following address: FOIA.Requests@wales.nhs.uk
