## Freedom of Information Request: Our Reference CTMUHB\_237\_24

### You asked:

I am writing to request information regarding the mobile applications deployed by CTM to staff with managed devices.

Specifically, I kindly request the following information:

#### **1. A comprehensive list of all mobile applications currently deployed by your health board to staff**

We have a baseline list of business line apps that get deployed to all our staff. These are Microsoft Office 365, Outlook, Teams and Expenses Mobile.

There are national applications that get deployed to relevant staff. WCP, WNCR, PlanetFM and Asthmahub.

Generic applications are also available to install for authorised staff but not deployed by default, please see a summarised list as follows:

- Abbott Nutritional App
- ACT Coach
- Adblock Plus for Safari (ABP)
- Admincontrol
- Adobe Acrobat Reader Intune
- Adobe Photoshop Sketch
- Advanced Language Therapy
- AIRVO 2
