Freedom of Information Request: Our Reference CTMUHB_414_24

You asked:

How many Spinal Cord Injured patients did you refer to the Welsh Spinal Cord Injury Rehabilitation Centre based at the University Hospital Llandough, in 2023/24?

Our response:

We can confirm that the Health Board does hold this information. However, to release the specific information would mean disclosure of low numbers (less than 5).

Where numbers are low we have considered that there is the potential for the individuals to be identified from the information provided, when considered with other information that may also be in the public domain.

In our view disclosure of these low figures would breach the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This exemption is absolute and therefore there is no requirement to apply the public interest test.
