Freedom of Information Request: Our Reference CTMUHB_434_24

You asked:

I am seeking information about your health system.

Can you please answer the following questions?

Community Respiratory Service Mapping

1. Does your organisation provide community-based bronchiectasis services?

No.

2. Does your organisation provide services dedicated to complex bronchiectasis e.g. those with frequent exacerbations, or comorbidities?

Yes.

3. Does your organisation provide community-based services treat complex respiratory conditions such as COPD, interstitial lung disease?

Yes.

If yes, please complete the table below:

Name of provider	Cwm Taf Morgannwg University Health Board
Number of patients contracted/treated in the past year	*S12
Address of provider	Hospital addresses can be found on the Health Boards website . Cwm Taf Morgannwg University Health Board Headquarters Navigation Park Abercynon CF45 4SN

*S12 - We can confirm that the Health Board does not centrally record this information. The information you require would be recorded within an individual patient's health record as part of their ongoing care. To provide you with this information, would require a manual trawl and significantly exceed the 18 hours time and £450 cost limit set out within Section 12 of the Freedom of Information Act.

High-cost drug propensity

4. Are the community service providers authorised to treat patients with any of the following drug types?

- Monoclonal antibodies - Yes
- Nebulised or infusion polymyxins / aminoglycosides antibiotics e.g. Colomycin or Gentamicin - Yes

- Other high-cost drugs - No

Resource utilisation

- 5. What is the total resource funding utilisation in social care for exacerbating bronchiectasis, in the last financial year?**
- 6. What/how much is funded from NHS budgets?**
- 7. What/how much is funded by social care budgets?**

We can confirm that the Health Board does not hold this information and are therefore unable to provide.
