Freedom of Information Request: Our Reference CTMUHB_616_24

You asked:

Between the 1st March 2023 and the 1st March 2024, how many people in the Cwm Taf Morgannwg UHB area have passed away whilst on a waiting list for treatment for any condition?

Our response:

Please note – in your request you specifically ask “for patients in the Cwm Taf Morgannwg (CTM) area on any waiting list.” However, we are unable to answer that as CTM residents may be on another Health Board’s waiting list without our knowledge – depending on what condition they have and their manner of entry into an NHS pathway. The figure provided below is more accurately described as the “number of patients on any CTM waiting list” and as such, may include non-CTM residents.

We can confirm 2552 distinct patients passed away whilst on any CTM waiting list – Referral to Treatment (RTT), Diagnostic and Therapy (DAT) or otherwise – between (inclusive) the dates of 1st Mar 23 and 1st Mar 24.
