Freedom of Information Request: Our Reference CTMUHB_621_24

Clarification requested:

Please provide some clarification around the following:

- What time frame should be covered?
- Is it the total cost by provider that you require?

Clarification provided:

I am trying to source the costings for a single trip.

You asked:

I am in hope in obtaining some information regarding Mental Health Secure Transport.

I am trying to obtain the costing break down for current providers that serve the health board.

Any information would be greatly appreciated.

Our response:

There is not a contract in place for Mental Health Secure Transport, the service book it as and when required.

We can confirm that the Health Board does not routinely capture the requested costing breakdown of a single trip booked by the service. However, to assist you with your request we can confirm the following costs that were captured for a single trip in 2024:

Staffing costs – £76 per hour
Secure transport - £118
Mileage – 60p per mile

Please note – the above is an example. Costs could vary depending on the single trips specific requirements and the provider used.
