Freedom of Information Request: Our Reference CTMUHB_122_24

You asked:

I would like to make the following request under the Freedom of Information Act relating to the Continuing Healthcare Services that are provided on your behalf:

1. The global budget package of care for continuing healthcare services for care homes and in the community.

£27.1 million.

2. Global staffing budget for continuing healthcare services including those staff that support care homes e.g. pharmacists

£1.2 million. Please note - the figure provided is for designated resource only.

Care homes receive support from many areas of the NHS e.g. Tissue Viability, Speech and Language Therapy etc. as part of their wider role and not specific to continuing healthcare services, so we are therefore unable to provide a figure for Health Board wide staffing support.

3. Number of clients that are in receipt of continuing healthcare services including the community.

644.
