You asked:

With regards to response CTMUHB_458_23. Please can I check your answer to 7b. (*Did any policies or rules for visits vary for different age groups and groups of patients?*)

You said: There was a consistent approach across the adult wards.

Did Cwm Taf have any policies and rules specifically for visits to young people in your mental health unit?

Our response:

Due to frequent changes in rules during this period, we did not have a specific policy. As a service, we followed National guidance/direction and updated our ward risk assessments.
