

Freedom of Information Request: Our Reference CTMUHB_37_24

You asked:

Please can I request, in line with the Freedom of Information Act, the following:

Your organisations current "Pharmacy strategy" document - This may also be titled Medicines Management Strategy, Pharmacy, Prescribing and medicines strategy or similar and should identify your organisations strategic plans to develop and evolve your hospital pharmacy to ensure safe and effective use of medicines. In England this may be incorporated within an ICS wide strategy or in Scotland/Wales it may be incorporated into a wider Health Board strategy, and, if so, please can you identify that this is the case and either share this document or (in England) identify which organisation "owns" it to allow a request to be made to that organisation.

Please feel free to forward the document or, if in the public domain, share the relevant URL for the document.
