Freedom of Information Request: Our Reference CTMUHB_88_24

You asked:

Please can your memory assessment service share with us your current inclusion and exclusion criteria for service users.

Our response:

The current inclusion and exclusion criteria for our memory assessment service is as follows: -

The service will be provided to those suspected of having cognitive difficulties due to a progressive condition and will not be appropriate for those with static cognitive impairment due to, for example, brain injury.
