Freedom of Information Request: Our Reference CTMUHB_351_24

You asked:

As in previous years, we want to include data collected directly from councils across Wales. This information will be published on our website along with the Track the Act briefing and the information we are also requesting from Local Health Boards.

Question 1: How many unpaid carers have been given access to a Carers Needs Assessment as part of the hospital discharge process across your Local Health Board area?

Question 2:

- a) How many new services for unpaid carers were commissioned and/or delivered by the health board in the financial year April 2023 to March 2024?
- b) How many ongoing services for unpaid carers were continued to be funded and/or delivered by the health board in the financial year April 2023 to March 2024?

Our response:

We can confirm that the Health Board does not hold this information.
