You asked:

I am doing a project on the Carr Hill Formula of GP practices in Wales.

Could I please know...

The raw number of registered patients in Cwm Taf (within GP practices) and the number of weighted patients in Cwm Taf. (I think the raw number is around 450,000 – but I'm interested in how this compared to the weight number which will be slightly higher)

Our response:

As at 01/04/2024 – the raw number of patients within Cwm Taf Morgannwg Health Board is:- 471,476

As at 01/04/2024 – the weighted number of patients within Cwm Taf Morgannwg Health Board is:- 493,208.3357
