You asked:

I am interested in cyber security in the NHS, and who assists the Health Board, so are you able to advise the details please.

Can you advise with the recent Cyber Challenges if you have a cyber team?

Our response:

Please see provided in the table below the Health Boards Cyber Security Team details.

Please note - The Health Board is withholding the names of the members of staff within the Cyber Team. This decision has been made as it is not within the expectations of the individuals that their personal data would be put into the public domain. This information is classed as personal data of third parties and is therefore being withheld in accordance with section 40 (2) of the Freedom of Information Act 2000 (the Act) by virtue of section 40 (3) (a) (i) of the Act which permits a public authority to withhold personal data other than the requester's where the disclosure would breach a Data Protection Principle.

The Data Protection Act 2018 (DPA) / General Data Protection Regulation (GDPR) defines personal data as data which relates to a living individual who can be identified solely from that data or from that data and other information which is in the possession of the data controller.
