Freedom of Information Request: Our Reference CTMUHB_149_24

You asked:

Under the Freedom of Information Act, we would like to request the answers to the below questions, in relation to your renal services at the hospitals.

- 1) How many patients are on dialysis at the hospital and are these seen two or three times per week?
- 2) What is your current capacity level and what is your maximum capacity level of renal dialysis?
- 3) What is your current number of dialysis machines and what brand are they? Also, who is the RO plant manufacturer?
- 4) What is the average cost per patient for renal dialysis within a hospital environment?
- 5) How old is your RO system and dialysis machines, and are they due for replacement, decant or upgrade any time soon?
- 6) What is your contingency plan for when you run out of internal dialysis capacity or your machines/RO go down?
- 7) Where does the primary source of funding for the renal department stem from? Is it directly from the health board or elsewhere?
- 8) Have you ever considered using a mobile renal dialysis unit to support your services through disaster recovery, decant, replacement or refurbishment?

Our response:

Unfortunately, the information you have requested is not held by Cwm Taf Morgannwg University Health Board. The information required would be recorded by Cardiff and Vale and Swansea Bay University Health Boards, whom provide Renal services to Cwm Taf Morgannwg residents.
