Freedom of Information Request: Our Reference CTMUHB_155_24

You asked:

I would like to make the following FOI request for Cwm Taf Morgannwg University Health Board:

1. What training has been delivered to staff within the Health Board relating to religion and religious beliefs, within the period 1st August 2022 to 1st August 2023?

I would like a list of all the sessions delivered to staff. If a course has been delivered multiple times, please list each instance separately. For each one, I would like to know:

2. What was the session title or topic (if known)?
3. Was the session delivered (even if only partially) by someone external to the Trust?
4. If so, who?
5. How much was paid to them for this?
6. If payment is made, please specify if VAT was applicable, and if VAT is included in your figure(s).

For “religion and religious beliefs”, please include any training which is likely to include a significant amount of content about the needs of religious people.

Our response:

During the period requested our Chaplaincy and Spiritual Care Department delivered training sessions about Spirituality in the NHS. This teaching included reference to religion as an avenue for human spirituality for some people. Information was provided on the role of the department and the service provision for those with a religious need.

We did not use anyone external to the health board to deliver our training events.
