Freedom of Information Request: Our Reference CTMUHB_165_24

You asked:

I'm doing a research project on the geographical disparity in the distribution of MRIs in the UK.

Under the Freedom of Information Act please could I request the current MRI asset counts (number of MRI machines) from NHS Wales for all NHS health boards within Wales.

If you only hold the information for your board, please could you provide me this and kindly direct me towards whom I could contact to obtain the information from the remaining boards.

Our response:
