## **Freedom of Information Request: Our Reference CTMUHB\_171\_24**

### **You asked:**

We act on behalf of a client who was a registered patient at The Hollies Health Centre, Swan Street, Merthyr Tydfil CF47 8ET.

We note that this Practice closed.

As some of our concerns relate to the treatment received at The Hollies Health Centre we are attempting to identify the Partners of that Practice, together with insurance details.

We would therefore be grateful to receive confirmation of the following:

### **1. The name of the Partners at The Hollies Health Centre between 2004 and 2008.**

In 2004 there were 4 independent GP practices operating out of the Hollies Health Centre under Merthyr Tydfil Local Health Board. They were:

- Dr V S Chandran
- Dr A Rahim
- Dr N Jayaraman, Dr S Das and Dr S Saigal
- Dr A Jayadev and Dr B Jayadev

None of the above GPs are current practicing GPs.

### **2. Confirmation as to who assumes administration and/or responsibility for the Hollies Health Centre's liabilities since it has closed.**

The GP practices were all independent practices working within the Hollies Health Centre. The liability for patient treatment would remain with the GP(s).

### **3. Confirmation of insurance details.**

The Health Board does not hold the insurance details of independent contractors.
