Freedom of Information Request: Our Reference CTMUHB_264_24

You asked:

Under the Freedom of Information Act 2000, I would like to request the following information:

- An explanation as to who is the CD Accountable Officer for the Dyfodol service commissioned by the Area Planning Board.
- Any CTM policies which set out the governance mechanism for ensuring compliance with health related legislation within the commissioned Dyfodol service.

Our response:

We can confirm that the APB does not commission the Dyfodol service and therefore, the Health Board does not hold the information requested.

The Dyfodol Service is commissioned by the Police and Crime Commissioners Office (PCC). Therefore, you may wish to redirect your request to the PCC.
