You asked:

I am writing to make an open request for information under the Freedom of Information Act 2000.

In the interest of better patient outcomes and ensuring equity of access to information, I kindly request a copy of all responses to Freedom of Information (FOI) requests you have received for both the Drug Patient Level Contract Monitoring (DrPLCM) report and SACT Cancer report over the last 12 months. Could the report responses please be in csv format.

This information is essential for the improvement of patient care and services, as well as promoting transparency and fairness in the access to information. I understand that this information should be readily available and hope that this request does not put undue pressure on your services.

Our response:

We can confirm that the Health Board have received no (zero) Freedom of Information (FOI) requests in relation to the Drug Patient Level Contract Monitoring (DrPLCM) report and SACT Cancer report over the last 12 months.
