Clarification you provided:

'I'm particularly interested in sickness cover for prescription management and consultant availability over the two practices.'

You asked:

Would you be able to provide me with the business continuity plan for the mental health teams covering Pentre and Trealaw services please?

Our response:

Further to the clarification you provided above. We can confirm that there is no formal contingency plan devised for this situation, as while it is possible that there will be such difficulties, it is not an eventuality that we would see occurring frequently enough to require a contingency.

Cadeirydd/Chair: Jonathan Morgan **Prif Weithredwr/Chief Executive:** Paul Mears
