

Freedom of Information Request: Our Reference CTMUHB_572_24

Thank you for your request for information received on the 11 November 2024, regarding Mental Health Services. Please find the response from Cwm Taf Morgannwg University Health Board set out below:

Clarification provided 14/11:

I require adults aged 18-65 (i.e. not older adults).

You asked:

I am writing to submit a new FOI request about mental health services within your Health Board.

Please note - We can only supply data for the number of patients that were admitted with Schizophrenia and other non-mood disorders (F20-F29 inclusive). We cannot supply data for the total number of patients with Schizophrenia and other non-mood disorders (F20-F29 inclusive) who were managed by the Health Board, as outpatient activity is not coded.

1 (a) In the last 12 months (of data), in total how many patients with Schizophrenia and other non-mood disorders (F20-F29 inclusive) were managed by your Health Board.

Number of Patients = 302 (date range 01/11/23 – 31/10/24).

1 (b) In the last 12 months (of data), in total how many patients diagnosed Schizophrenia (F20 only) were managed by your Health Board.

Number of Patients = 184 (date range 01/11/23 – 31/10/24).

Your answers will be used to inform plans to potentially support Early Intervention Psychosis or Community Mental Health teams. If information is available by type of service, and can be reported within the time limit, please also consider the following questions for patients with Schizophrenia and other non-mood disorders (F20- F29 inclusive).

2 (a) In the last 12 months (of data), how many patients with Schizophrenia and other non-mood disorders have been treated within each of the following services:

- **Early Intervention Psychosis service team**
- **Community Mental Health Team**

We can confirm that the Health Board does not centrally record this information. As such, we would not be able to provide a full Health Board wide picture. The information you require would be recorded within an individual patient's health record as part of their ongoing care. To provide you with this information, would

require a manual trawl and significantly exceed the 18 hours time and £450 cost limit set out within Section 12 of the Freedom of Information Act.

2 (b) In the last 3 months (of data), how many patients with Schizophrenia had no change to the antipsychotic medication within each of the following services. This includes patients with no change in dose.

- **Early Intervention Psychosis service team**
- **Community Mental Health Team**

Please see response to 2a.

3 (a) In the last 12 months (of data), how many patients with Schizophrenia and other non-mood disorders were discharged to primary care from each of the following services?

- **Early Intervention Psychosis service team**
- **Community Mental Health Team**

Please see response to 2a.

3 (b) In the last 12 months (of data), how many patients with Schizophrenia and other non-mood disorders were discharged from the Early Intervention Psychosis service team to the Community Mental Health Team

Please see response to 2a.
