Our response:

Please find fleet information provided below.

With regards to registration numbers - In accordance with the Freedom of Information Act 2000, this acts as a Refusal Notice under section 17 of the Act.

Cwm Taf Morgannwg University Health Board has deemed that the information requested is exempt from disclosure under Section 31(1)(a) and Section 38(1)(a)&(b) of the Freedom of Information Act 2000 (the Act).

The UHB recognises its duty to protect its staff, public and individuals, and we will not jeopardise this duty by providing this information. In our opinion, this would weaken our ability to protect our staff, patients and other service users as providing the vehicle registration numbers could open these vehicles up to being targeted. We have also considered the harm, which will or will be likely to arise from the release of this information along with information already in the public domain.

Section 31(1)(a) of the Act provides that information which is not exempt by virtue of Section 30 (criminal investigations and proceedings) is exempt if its disclosure would, or would be likely to, prejudice the prevention or detection of crime. In guidance, the Information Commissioner's Office has advised that Section 31 amongst other things, prevents information being disclosed that would increase the risk of the law being broken. In addition, it can be claimed by any public authority. The UHB is relying upon this exemption as it considers that releasing car registration numbers, would in the present climate, make them more vulnerable to crime.

Section 31 – Law Enforcement of the Act states that:

31(1) Information which is not exempt information by virtue of section 30 is exempt information if its disclosure under this Act would, or would be likely to, prejudice - (a) the prevention or detection of crime

Section 38(2) – Health and Safety of the Act – states that:

38(1) Information is exempt information if its disclosure under this Act would, or would be likely to –

(a) endanger the physical or mental health of any individual, or

(b) endanger the safety of any individual.

(2) The duty to confirm or deny does not arise if, or to the extent that, compliance with section 1(1)(a) would, or would be likely to, have either of the effects mentioned in subsection (1).

Therefore, the UHB considers that the public interest in withholding the information outweighs any arguments for disclosure.
