Freedom of Information Request: Our Reference CTMUHB_202_25

You asked:

Can you please tell me the current waiting times for orthopaedic triple arthrodesis surgery in CTM?

Our response:

The search term of 'triple arthrodesis' is very specific and unfortunately, we are unable to narrow a waiting list down by such a specific condition, as surgery lists per service can be mixed.

We could look at waiting lists per orthopaedic specialty. However, this would include a multitude of conditions inside that specialty and would not provide the specific waiting time requested.
