Freedom of Information Request: Our Reference CTMUHB_358_25

You asked:

Under the Freedom of Information Act, can you please supply for your NHS board:

1. The total number of consultant-level doctors you currently have [WTE or equivalent]

The total WTE of medical staff on consultant paycales (including locum consultants) at 04-Aug-25: 456.70 WTE.

2. The total number of vacant consultant-level doctor posts you currently have [WTE or equivalent]

Vacancy data - WTE of medical staff on consultant paycales (including locum consultants) at June-25: 22.57 WTE.

Please also supply:

3. The total number of consultant-level posts substantially filled by agency locums for more than 6 months [WTE or equivalent] –

This data is currently not readily available due to 3rd party system limitations.

Due to this, a manual trawl and review of all the shifts would be required to identify the specific reason. The Health Board estimates that the cost of manually extracting this data would significantly exceed the 18 hours time and £450 cost limit set out within Section 12 of the Freedom of Information Act.

4. The total spend on agencies for locum consultants (both framework and non-framework) for the 2024/25 financial year [£s]

The total spend on agencies for locum consultants for 2024/25 was £548,985.

We have no non-framework spend.

5. Any existing or planned controls on recruitment of medical staff in 2025/26 [free text]

All posts are subject to the UHB's vacancy control process. There are no plans to impose any further restrictions on the recruitment of medical staff.
