### **Our response:**

Please see data provided in the table below. Noting the following:

- Data based on patients with the word MONOXIDE or starts with CARBON MONOX anywhere in their presenting complaint. This does not mean the patient had a diagnosis of CARBON MONOXIDE or they were treated for CARBON MONOXIDE.
- Presenting complaint is a free text search field.
- We cannot confirm if treated for CARBON MONOXIDE, as presenting complaint. Patient may have ended with different diagnosis or even did not wait after triage.
- Patient attendances within the date periods.
- Patient may belong to another Health Board area.
- Same patient may have attended more than once in date period or be in other date periods requested.
