Freedom of Information Request: Our Reference CTMUHB_579_25

You asked:

I am writing to make an FOI request under the Freedom of Information Act. (10/12/2025)

Requesting:

- 1. The average waiting time from first interaction (phone call, email, contact form) to abortion treatment (medical or surgical) for all abortions in the last 12 months, broken down by gestation weeks if available**

The average wait time from referral to treatment is 6.7 working days.

The average gestation seen is 7 weeks.

- 2. The longest waiting time for an abortion treatment in the last 12 months**

The longest wait from referral to treatment was 13 days. Overall, 4.5% of patients waited >10 working days in the last 12 months.

- 3. Percentage of staff who have a conscientious objection to performing abortions at present**

We are unable to confirm the percentage of staff who have a conscientious objection to performing abortions at present, as this information is currently being updated following recent staff movements. However, we aim to provide you with the updated data within the next month.
