

Freedom of Information Request: Our Reference CTMUHB_600_25

You asked:

I am making an interactive map of all the mental health wards in Wales and some of the information about the wards is little unclear.

Could I please put an FOI in and request the names, locations and functions of the mental health wards in CTMUHB. I understand that Glanrhyd hospital has wards that are managed by SBUHB, those do not need to be included as I have put in a separate FOI with them.
