## Freedom of Information Request: Our Reference CTMUHB\_602\_25

### You asked:

I would be very grateful if you could provide, under the Freedom of Information Act, the following details:

1. Please can you advise if you commission dementia support services?
2. If you do commission dementia support services, please can you confirm:
  - a) who is the current provider?
  - b) what are the current contract start and end dates?
  - c) what is the annual contract value?
  - d) are you planning to retender when the current contract comes to an end?

### Our response:

We can confirm that Cwm Taf Morgannwg University Health Board (CTMUB) does not directly commission dementia support services.

CTMUHB provide a range of dementia support through various internal teams. Individuals living with dementia have access to a range of support through local authority partners and the third sector but these are not contracted through the Health Board.

Commissioning for Dementia Services falls under the remit of the Regional Partnership Board (RPB). Funding provided to support delivery of the Dementia Action Plan for Wales is allocated to the RPB, enabling it to implement the plan and develop a joint health and social care approach to dementia support.
