Freedom of Information Request: Our Reference CTMUHB_113_25

Clarification:

It is adults (18-64) that I am requesting.

You asked:

I am writing to request information under the Freedom of Information Act 2000. I would be grateful if you could provide the following information regarding mental health services offered by your board:

1. The total number of admissions involving the following mental health conditions/available categorisation, where individuals have been sectioned under the Mental Health Act in both 2023/24 and 2019/20:

- Psychosis / Schizophrenia / Schizo-Affective Disorder
- Treatment Resistant Depression
- Bipolar / Cyclothymia / Hypomania
- Eating Disorders
- EUPD/CEN
- Other
- Diagnosis not recorded

Our response:

Currently, our electronic patient administration systems do not record those patients who are sectioned under the Mental Health Act.

The information you require would be recorded within an individual patient's health record as part of their ongoing care. To provide you with this information, would require a manual trawl and significantly exceed the 18 hours time and £450 cost limit set out within Section 12 of the Freedom of Information Act.
