You asked:

1. Could you provide a list of all NHS hospital at home or virtual ward available in your region as well as their email contact information please

Our response:

At present our hospital at home service is defined by the crisis response pathway is Acute Clinical Team (ACT) in Bridgend and @Home Service across Rhondda Cynon Taff and Merthyr Tydfil Localities. Virtual wards are also in operation in each of the localities and are supported by the Community Health and Wellbeing teams and GP practices. However, the Health Board is in the process of redesigning our hospital @home model as part of a wider programme of transformation to deliver enhanced community care. The email contact for more information is Julia.Wilkinson@wales.nhs.uk.
