Freedom of Information Request: Our Reference CTMUHB_26_25

You asked:

I would like to make a freedom of information request for the waiting list time for adults who were diagnosed with ADHD in childhood to see a clinician to restart their medication?

Our response:

We can confirm that the Health Board does not centrally record this information. To provide you with this information would require a manual trawl through all patients waiting on the Diagnosis Wait list and significantly exceed the 18 hours' time and £450 cost limit set out within Section 12 of the Freedom of Information Act. Therefore, we are unable to provide.
