Freedom of Information Request: Our Reference CTMUHB_37_25

You asked:

Can I please request a copy of the commissioning contract between the Welsh Health Boards and The Christie Hospital in Manchester?

Our response:

We can confirm that NHS Wales Joint Commissioning Committee hold the information that you have requested.

However, we would like to advise you that the information you requested is being withheld under the Freedom of Information Act 2000. The exemption which the Health Board has applied to this information is: Section (43)(2) of the Freedom of Information Act.

The Health Board considers the information to be of a commercially sensitive nature and that the release of this information would or would be likely to prejudice the commercial interests of any parties concerned.

The University Health Board accepts that there is a public interest in ensuring openness and transparency however, the Health Board believes that disclosure of information in a manner which fails to protect the interests and relationships arising in a commercial context could have the effect of discouraging companies from dealing with the Health Board because of fears that the disclosure of information could damage them commercially. In turn this could then jeopardise the Health Boards ability to compete fairly and pursue its function to bring forward development in the area and obtain value for money.
