Freedom of Information Request: Our Reference CTMUHB_40_25

You asked:

I'd like to make an FOIA request.

Please could you answer the following for

- the last year**
- the year before and**
- 2019**

- In your Health Board area, how many patients attended an emergency department with either pregnancy related nausea/vomiting/sickness or 'hyperemesis gravidarum'? (for clarity I'm after the total number, I'm just aware that recording of the condition can vary)**

Attended A&E	*2019	2023	2024	Total
Total	172	256	291	719

- How many of those emergency attendances led to hospital admission?**

	*2019	2023	2024	Total
Admitted	42	99	95	236

With regards to the data provided for both questions, please note:

- Patient may be from another University Health Board area.
- Same patient could have more than one attendance/admission.
- Where data is reliant on clinical coding, there is a delay – therefore data may be incomplete.
- Cwm Taf Morgannwg (CTM) University Health Board was established on 1 April 2019. Therefore, due to the timeframe requested, the *2019 data (1 Jan – 31 Mar) relates to the previous Cwm Taf area and does not reflect the boundary change (Princess of Wales Hospital not included).
