Freedom of Information Request: Our Reference CTMUHB_284_25

You asked:

Could you please provide the typical number of doctors who have staffed the A&E department at Prince Charles Hospital during each 24-hour period over the past three months (March, April, and May 2025)? If possible, please include a daily or weekly average, along with any breakdown by shift (e.g. day vs night) if that data is available.

Our response:

Our typical staffing numbers for each day is as follows:

Day Shift 08:00 – 16:30

6 to 7 doctors

Plus consultant 8-2pm and 2-8pm

Late shift 16:00 – 24:00

6 Doctors

Plus consultant 2-8pm (2 x consultant on this shift Monday and Tuesday.)

Nights 22:30 to 08:00

4 Doctors

In addition to this, we have a team of multi-professional staff working alongside the doctors.
