23. Are you interested to explore a managed clinical services solution in your Health Board to support the potential reclaim of VAT on your consumables and/or the opportunity to release working capital through a 'sale and leaseback' (technology transfer agreement) of equipment and assets?

This is not a valid Freedom of Information Act (FoIA) request. The FoIA covers any recorded information that is held by a public authority; recorded information includes printed documents, computer files, letters, emails,

photographs, and sound or video recordings. The FoIA does not cover information on estimates, opinions or recommendations. The UHB is under no obligation to provide information not in recorded form. Therefore, we can confirm that we do not hold this information.

24. Are you interested to explore a 'cardiology movement hub', namely an IS provider developing an elective cardiology hub to provide cath lab procedures allowing the acute Trust in your Health Board to concentrate on emergency and more complex activity to remove scheduling conflicts and so reduce waiting times?

As above.
